ABOUT THE EVENT

Held each April during Sexual Assault Awareness Month, KAN-WIN's Annual Gala serves as its cornerstone event. Centered on breaking the silence around gender-based violence, the gala features survivor stories and performances. This community building event is a key fundraiser, helping us support survivors and their loved ones with essential needs. Join us in making a difference and empowering survivors!

WHO WE ARE

Founded in 1990, KAN-WIN works to eradicate gender-based violence through comprehensive, survivor-centered services, education, and outreach to Asian American communities and beyond. KAN-WIN offers a range of culturally and linguistically appropriate services, including 24-hour multilingual crisis line, counseling, transitional housing, legal and medical advocacy, support groups, children's programs, economic empowerment services and more. Additionally, we actively engage in outreach efforts, training peer advocates to educate immigrant community members about domestic abuse and sexual assault.
